# Playtime games

Your school has been asked to contribute to a book for children about the games that children play. The book will have lots of information about the kinds of games children enjoy at playtime and why they enjoy playing these games.

Think about all the games that you play at playtime. What is your favourite game? It might be a game that you play in the playground, in the classroom, or inside at wet play.

**What game would you like to include?**

**Describe this playtime game and say why you enjoy playing it so much.**
